

Cabrillo Gals Softball League is an organization devoted to teaching girls, ages 4-14, the sport of girl's fast pitch softball with a focus on education, development, competition, and community. We are the largest recreational spring softball league, with between 250-300 players and we are a completely volunteer run, non-profit organization. To help offset the cost of running the league we rely on sponsorships to assist with expenses including umpires, field rentals, equipment, and uniforms. **The cost of team sponsorship is \$400.00**

Our mission is to make softball accessible to all girls who wish to play, regardless of their family's financial ability to support that wish. With that in mind we offer scholarships to our community as well. This year we've experienced our highest number of full scholarship requests. Would you consider sponsoring a player or contributing to our scholarship fund? **The cost of a full player scholarship is \$220.**

All contributing businesses will be recognized on our website, Facebook and Instagram pages*. For team sponsorships, you will be recognized all season long on a banner that is hung at our home field, Anna Jean Cummings Park and on the back of team jerseys. We will also provide you with a commemorative team sponsor plaque at the end of the season.

We hope you will consider supporting our organization. If you have any questions, please don't hesitate to contact Cabrillo Gals at president@cabrillogals.com.

Thank you for your support!

Lynsey Niizawa, President, Cabrillo Gals - *501C3 Organization - Tax ID #77-0402077
